AUSTRALIAN WEBSITES WITH
LITURGICAL/SACRAMENTAL CONTENT

MARCH 2017

Introductory Note

This survey has been prepared as an introductory guide to liturgical and sacramental content on Australian Catholic websites. While wide-ranging, it does not claim to be comprehensive or to have reproduced exactly what is on the websites listed. Headings listed are not always an accurate guide to content. The survey may best serve as a prompt for closer examination of material, rationalisation of resources and closer collaboration. Corrections and additions may be sent to the Executive Secretary of the Bishops Commission for Liturgy, Dr Paul Taylor, at liturgy@catholic.org.au.

This website “developed by the National Catholic Education Commission in partnership with Catholic school systems across Australia, brings together valuable resources to assist teachers of students of all age levels to develop their formation in the Eucharist and assist their full, active and conscious participation in its celebration.”

It has versions for four different year levels (F-3; 4-6; 7-10; 11-12), each with four sections: Explore, Craft, Receive, Live.

**Catholic Education Office websites**

It is important to note that Catholic Education Offices in various dioceses have significant amounts of material relating to sacraments and liturgy on their websites, especially in relation to the preparation of children for reception of the sacraments of confirmation and eucharist, and to a lesser extent, reconciliation. However access to these sites is restricted to authorised personnel.
