

Crafting the Art of Liturgy in Become One Body One Spirit in Christ

'Become One Body One Spirit in Christ' is an interactive DVD that has been produced as a catechetical resource for English-speaking Catholics throughout the world.

It provides five Pathways for deepening our understanding of the meaning and significance of the Eucharist in our lives

The '**Crafting the Art of Liturgy**' pathway looks at the relationship between liturgy and art. Art, beauty and celebration are the underpinning themes of this pathway, which includes an exploration of the roles of the ordained ministry and of the liturgical assembly. A particular highlight is the inclusion of a number of the new chants, which are made available for download as audio files with the sheet music available in PDF format.

There are five sections within this pathway: '*Liturgy As Art*', '*Liturgical Prayer*', '*Liturgical Ministries*', '*Art in the Liturgy*' and '*The Chanting of Prayer*'.

'Liturgy As Art' considers liturgy as 'the fitting together of many things to form a beautiful whole'.

'Liturgical Prayer' considers how liturgical prayer is a combination of elements.

'Liturgical Ministries' addresses the roles of the Ordained Ministers and of the Liturgical Assembly.

'Art in the Liturgy' explores the contribution to liturgy of human actions, words and silence.

'The Chanting of Prayer' section provides the background to the liturgical chant. This section is introduced with a video clip of examples of liturgical music.
