

Workplace Relations: **A Catholic Perspective**

The Australian Catholic Council for Employment Relations has prepared this book for two main purposes: to explain Catholic social teaching on work and employment-related issues and, on the basis of that teaching, to make a contribution to the national debate about employment law and workplace relations.

Books are \$5.00 per copy. Goods and Services Tax, postage and handling are not included in the price. A tax invoice will be sent with the order.

This order form is also available on the website www.accer.asn.au
