

'Harvest Pilgrimages' appointed official pilgrimage tour operator for the Jubilee Year

The Australian Catholic Bishops' Conference has appointed 'Harvest Pilgrimages' as the official pilgrimage tour operator for the Year 2000.

The appointment has been made in response to a Vatican request asking each Bishops' Conference in the world to appoint an official pilgrimage tour operator with whom the Central Committee for the Great Jubilee can liaise.

Managing Director of 'Harvest Pilgrimages', Mr Philip Ryall said "We are especially honoured to receive this appointment and take up this mandate with great enthusiasm....After more than a decade operating as pilgrimage specialists we have grown to appreciate both the pastoral and practical needs of the Australian pilgrim. Value for money, a reflective pace along with a choice of airlines and hotels or religious style accommodation will characterise our diverse Jubilee programme".
