

The Church in Oceania

As we come to the end of our Assembly gathering at Vunapope, we, the bishops of Oceania express our heartfelt thanks to you Archbishop Karl Hesse, Bishop Patrick Taval, Bishop Alphonse Chaupa, the Clergy, Religious and Laity for the wonderful welcome you have given us.

From the moment each one of us arrived, we have received unforgettable hospitality. This has been shown in the way you have looked after us and entertained us. The smiling, happy atmosphere of this week is something we will never forget.

Above all, we thank you for your inspirational faith that we will never forget. As we have reflected on the document "The Church in Oceania" we have been aware that you are all a living example of what that document portrays, "Jesus Christ and the Peoples of Oceania walking this ways, telling this truth, living this life".

We pray that you will continually be blessed with Peace and Joy and that Blessed Peter To Rot will continue to shower you with abundant blessings.
