

Ethical Standards Launched

At Catholic Health Australia's recent National Conference held in Brisbane from 25-28 June, Chair of CHA, Sr Annette Cunliffe, rsc, launched Catholic Health Australia's Code of Ethical Standards. The Code was approved by the Bishops' Conference during its Plenary Meeting in May this year. The Most Rev Michael Putney, Bishop of Townsville, Chaired the Code's Steering Committee. During the launch, Sr Cunliffe publicly thanked the Bishops for approving the Code. For a full copy of Sr Cunliffe's text [click here](#). Catholic Health Australia have been granted the Charter by the Bishops' Conference to launch and distribute the Code. A release was issued by CHA today outlining the launch and how to obtain copies of the Code.
