A Message to Parish Personnel

Becoming more aware of the treasure that is among us in our own day, the Bishops have invited those experiencing disability to tell their story, share it, and inspire us. "We Have a Story" is the result of the generous response to that invitation. Here is an opportunity to see more of a great treasure that is awesome and inspiring. As we listen to individuals, groups and communities, we can indeed see reflected more clearly the great enthusiasm and hope that inspired the first document 'I Have a Story'. There is no better incentive or encouragement for all of us in the Family of God, than to carefully listen to and immerse ourselves in these stories, so that we can together respond to the prayer of Jesus, "I pray that they may all be one, Father! May they be in us, just as you are in me and I am in you. May they be one, so that the world will believe that you sent me." *John 17:22-23*

We recommend this book of stories, the music CD and prayer card to you, particularly around International Day of People with Disability (3 December), and pray that these testimonies and hymn will encourage and challenge us all to be and proclaim joyfully to the world that we are 'one in Christ' (Ephesians 2:11).
