

# Prayers to Share

Jesus, you taught us to love one another. Help us to love others like you.

**JESUS, TEACH US TO LOVE.**

Jesus, give us the generosity to be helpful, kind, friendly and loving to those who are lonely or different.

**JESUS, TEACH US TO LOVE.**

Jesus, you loved us so much you died for us. Help us to be willing to give some time for our friends.

**JESUS, TEACH US TO LOVE.**

Jesus, we want to be caring people like you. Help us find something nice to say, something kind to do. Help us to show how much we care for each other by comforting anyone who is sad or hurt.

**JESUS, TEACH US TO LOVE.**

Jesus, help us to welcome all people. There are so many different people in our world; some have different coloured skin, some people are tall and others are short, some people are happy and others are sad. Help us to love and respect all people.

**JESUS, TEACH US TO LOVE.**

Jesus, we pray for all our brothers and sisters who are treated differently and cruelly in their own country. Help Australia to open its heart and arms to our brothers and sisters, so that they can share in our beautiful country.

**JESUS, TEACH US TO LOVE.**

Lord Jesus, we are your Church. We ask you to be with us, so that we will love all people and serve them wherever they may be.

**JESUS, TEACH US TO LOVE.**
