

November 2004

Dear Friends,

Thank you so much for the document "I have a Story".

I find it is very inspiring and challenging; gives ideas to parishes, communities and groups on how to welcome people with disabilities... starting with their own stories/comments.

Thank you for sharing this booklet with me. I will share it with L'Arche communities and priests in parishes that we know.

Is there any way you could send a copy to the O.C.H. office in Paris (Office Chrétien des Handicapés) - which does a lot of work with people with disabilities, parents, parishes, Faith and Light. It would be a very helpful instrument for them....

If you can send a copy to Philippe de la Chapelle, Directeur, O.C.H., 90 ave Suffren, 75015 Paris, France.

Thank you.

In thanksgiving and in warmest wishes and prayers for peace,

Jean Vanier
