

Praise the Lord

    
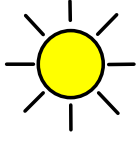

Praise God from the heavens.

    
Praise God, all the angels.

    
Praise God, everything in heaven.

 Praise the Lord

 Praise God, sun and moon.

 Praise God, shining stars.

 Praise God all the heavens.

 God created and made them.

  
Praise the Lord

    
Praise God, all the Earth.

      
Sea monsters and all in the ocean.

     
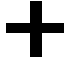

Lightning and hail, snow and clouds,

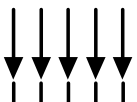

strong winds that blow.

  
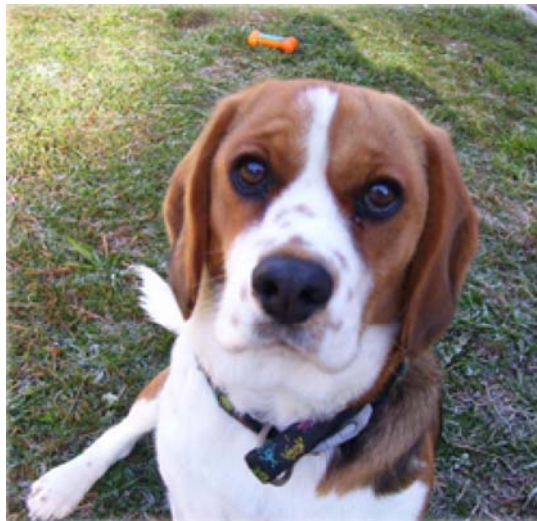

Praise the Lord

    
Praise God, hills and mountains,

  
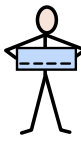

fruit trees and forests.

    
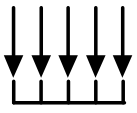

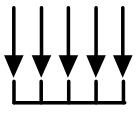

All animals tame and wild,

  
reptiles and birds.

  
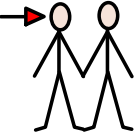

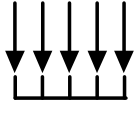

Praise the Lord

    
Praise the name of the Lord.

      
All kings and all peoples, princes and

    
other rulers of the Earth.

      
Girls and young men, old people and children too.

      
Let them all praise the name of the Lord.

 Praise the Lord

 God's name is greater than all others.

 God's glory is above heaven and Earth.

 God made His nation strong, so that

 all His people praise Him.

 Praise the Lord.
