Scripture story: Jesus' First Miracle

There was a wedding feast and sometimes they lasted up to 7 days! Jesus had 6 of His Disciples with Him and they had been traveling for 3 days.

Mary, His mother, told Jesus that there is no wine. And He said to her, "Now is not the time", his mother turned to the servants and said my Son can help do exactly as he tells you

Jesus told the servants to fill them with water and then take some to the bridegroom. The water had turned into wine, through the power of God his Father; Jesus had performed his first miracle
